

**AMENDMENT FORM**

**Suggestion for amendment of Article : 13**

The article should be deleted.

**Explanation (if any) :**

*For reasons of consistency and clarity, the overarching aim of the reform should be to place all areas of Union action in the three basic categories of competence. As no sufficient grounds have been put forward for the introduction of a separate provision on the coordination of economic policies, the proposed Article 13 ought to be deleted. The coordination of economic policies should be retained as an area for supporting action (Article 15).*
