

AMENDMENT FORM

Suggestion for amendment of Article : 14

By Ms / Mr : Ms Androula Vassiliou

Status : - Member

- Alternate ✓

Explanation (if any) :

I do not intend to propose an amendment to article 14. In fact, I should like to express my strong agreement with the proposed article, since it emphasizes the importance of a CFSP, particularly in view of the relevant recent development. In this respect, I believe that this article should remain as proposed.
