

AMENDMENT FORM

Suggestion for amendment of Article : 3 (2), second sentence.

By Mr : SÖDERMAN

Status : Observer

To include “**good administration**” as one of the objectives which the Union promotes.

Explanation (if any) :

Citizens of the Union believe that the Union is too bureaucratic. My experience as European Ombudsman is that the situation is better than is often believed. However, it is important for citizens that the Union should commit itself to promote good administration as an objective.
