

AMENDMENT FORM

Suggestion for amendment of Article 32 :

By Mr FARNLEITNER :

Status : - Member

Article 32: Principles common to acts of the Union

1. Unless the Constitution contains a specific stipulation, the institutions shall decide, in compliance with the procedures applicable, on the type of act to be adopted in each case, in accordance with the principle of proportionality set out in Article 8.
 2. European laws, European framework laws, European regulations, **European directives**, and European decisions shall state the reasons on which they are based and shall refer to any proposals or opinions required by this Constitution.
-

Explanation :

In conformity with my proposal to keep the European directives (see proposed amendments to Articles 24, 26 and 27), these shall be mentioned alongside all other legally-binding acts of the Union in para. 2 .
