### APPROXIMATION OF LEGISLATION

Article III-61 (ex Article 94)

~~A Council European framework law shall establish measures for the approximation of such laws, regulations or administrative provisions of the Member States as directly affect the establishment or functioning of the internal market. The Council shall act unanimously after consulting the European Parliament and the Economic and Social Committee.~~

**The Council shall after consulting the European Parliament and the Economic and Social Committee issue European laws and framework-laws for the approximation of such laws which directly affect the establishment or functioning of the single market.**

---

**Explanation (if any) :**

.To create a single legal base for the internal market the two provisions should be merged.
