

AMENDMENT FORM

Suggestion for amendment of Article : III-86

By Mr : Farnleitner

Status : - Member

2. The following provisions of the Constitution shall not apply to Member States with a derogation:

- a) ~~adoption of the parts of the Broad Economic Policy Guidelines which concern the euro area zone generally (ex article 99 paragraph 2)~~
- b) objectives and tasks... [list as proposed]

4. The voting **and participation** rights of Member States with a derogation shall be suspended for the adoption by the Council of the Council measures:

- a) referred to in the articles listed in paragraph 2;
- b) **relating to the adoption of the part of the broad economic policy guidelines concerning the euro zone [article III-68 paragraph 2];**
- c) **relating to the multilateral surveillance of euro zone countries [article III-68 paragraph 4];**
- d) **relating to excessive deficits in euro zone countries [article III-73, paragraphs 6, 7, 8 and 11]**
- e) **which put an end to a derogation [article III-87 paragraph 2].**

Explanation (if any) :

This list will enable Eurozone members to “ensure that EMU works properly”; see commentary to Art III-85a. Moving this list from para 2 to para 4 has the effect of suspending the voting rights of “pre-ins” while preserving the applicability of these measures on them.
