Paras. 1 and 2:

Replace:

“management and labour”

With:

“the social partners”

Para. 2:

Subparagraph 1:

Replace:

“by a European **decision** adopted by the Council on a proposal from the Commission”

Replace:

“in paragraph 1(c), (d), (f) and (g)”

Explanation (if any) :

Paragraphs 1 and 2: In order to reflect the language used in the social partners’ provision (Article I-47) ‘management and labour’ is replaced by “the social partners”.

Paragraph 2: Following the actual practice, framework agreements should be implemented via European framework laws adopted in the ‘special legislative procedure’ by the Council with the participation of the European Parliament (Article I-33 para. 2).
