

AMENDMENT FORM

Suggestion for amendment of Article : Article III-106

By Mr Proinsias De Rossa

Status : - Member

Part Three, Section 2, Social Policy

Add Article III-106(bis) as follows:

In the promotion of co-operation on social protection policies the contribution of the Open Method of Co-ordination, for example in areas such as social inclusion, pensions and access to health care is recognised.

Explanation (if any) :

The Open Method of Co-ordination has an established and positive role in the development of the Union's social policies.
