**Part III of the Constitutional Treaty**

**By Ms. Dybkjær**

**Status :    - Member            X Alternate**

### **Article III-144, paragraph 1:**

A European law shall establish a multiannual framework programme, setting out all the activities of the Union, *except those related to article III-149A (see amendment on that article)*. It shall be adopted after consultation of the Economic and Social Committee.

---

### **Explanation (if any) :**

An independent European research policy (see amendment article 149A) should not necessarily be bound by the restrictions of the framework programme, but should be an independent research policy.
