### Article 3: [Role of national parliaments]

*Delete*

---

### **Explanation:**

*The normal role of national parliaments is dealt with properly in the Protocol (see our proposed amended version).*

*We agree with the Praesidium that a special mention needs to be made about the role of national parliaments in monitoring the operational field of police, security and judicial cooperation, but are of the view that it would be better placed in Article 5 (see our amendment below).*
