Article 6: [Measures concerning public order and internal security]

This Title shall not affect the exercise of the responsibilities incumbent upon Member States with regard to the maintenance of law and order and the safeguarding of their ~~internal~~national security.

Explanation (if any) :

Article 6: The inclusion of this provision based on Article 33TEU and Article 64(1) TEC is welcome. Our amendment builds on the idea already taken up by the Praesidium in inserting the word “their”. The internal security of the European Union as a whole is a matter for collective action; safeguarding its own national security is a matter for each individual Member State.
