### **Article 7: Administrative cooperation**

The Council shall adopt by a qualified majority **European regulations** to ensure cooperation between the relevant departments of the administrations of the Member States in the areas covered by this Title, as well as between those departments and the Commission. It shall act on a Commission proposal, or, in the areas covered by Chapters 1, 3 and 4 of this Title, either on a Commission proposal or on the initiative of a quarter of the Member States and after consulting the European Parliament.

### **Explanation (if any) :**

To avoid any misunderstandings the names of the legal acts should be used as defined in Art. 24 of the Constitution.

The question whether the choice of instrument and this procedure are compatible with the general legal framework for the legal act “european regulation” established in Title V of the First Part of the Constitution deserves further consideration.

This is a consequence of amendment to Article 8.
