Article 14 : [Judicial cooperation in civil matters]

(...)

[3. The Council, on a proposal from the Commission, shall unanimously 1 adopt laws and framework laws concerning family law; it shall act after consulting the European Parliament. The European Parliament and the Council, in accordance with the legislative procedure, shall adopt laws and framework laws concerning parental responsibility.]¹

¹ Family law is to remain a national competence in principle. When family law has cross-border implications, the necessary action could be taken with other parts of the proposed Article as legal basis.
