

**AMENDMENT FORM**

**Suggestion for amendment of Article : 165 (2)**

**Suggestion for Part: III**

**By Ms / Mr :           G.M. de Vries  
                              T.J.A.M. de Bruijn**

**Status :           Member                   Alternate**

---

2. To this end, a law or framework shall lay down measures aimed ~~inter alia~~ at ensuring: ...

3. Notwithstanding paragraph 2, measures concerning those aspects of family law with cross-border implications shall be laid down in a European framework law by the Council. It shall act unanimously after consulting the European Parliament.

The Council on a proposal from the Commission, may adopt a European decision determining those aspects of family law with cross-border implications which may be adopted by the ordinary legislative procedure. The Council shall act unanimously after consulting the European Parliament.

---

**Explanation (if any):**

The Netherlands feels that the scope of paragraph 2 should be restricted to litterae (a)-(h).
