

AMENDMENT FORM

Suggestion for amendment of Part Two, Title... Article 20: European Public Prosecutor's Office

By Mr Dick Roche

Status : Member

Article 20: European Public Prosecutor's Office

Delete the Article

Explanation (if any) :

No convincing or compelling case has been made for the creation of a European Public Prosecutor. There was no consensus on the issue either in the relevant Working Group or in the Plenary debate in December. The proposed arrangements do not respect the different legal traditions of Member States. The Article should, therefore, be deleted.
