

## AMENDMENT FORM

### Suggestion for amendment of Article III-177: Sport

By Member Mr Göran Lennmarker

---

Article III-177 (ex Article 149)

1. ...

~~The Union shall contribute to the promotion of European sporting issues, given the social and educational function of sport.~~

2. Union action shall be aimed at:

...

~~(g) developing the European dimension in sport, by promoting fairness in competitions and cooperation between sporting bodies and by protecting the physical and moral integrity of sportsmen and sportswomen, especially young sportsmen and sportswomen.~~

---

#### Explanation:

There is already a vital European civil society when it comes to sport, and there is no need for the European Union to deal with sport issues. One aim of the European Convention is to find a clear division of competences between the Union and the Member States, and the proposal to include to sports in this article will not make the division of competences clearer.
