Status : **Member** **Alternate**

1. European decisions under this Chapter shall be taken by the Council acting unanimously. Abstentions by members present in person or represented shall not prevent the adoption of such decisions.

When abstaining in a vote, any member of the Council may qualify its abstention by making a formal declaration under the present subparagraph. In that case, it shall not be obliged to apply the European decision, but shall accept that the latter commits the Union. In a spirit of mutual solidarity, the Member State concerned shall refrain from any action likely to conflict with or impede Union action based on that decision and the other Member States shall respect its position. If the members of the Council qualifying their abstention in this way represent at least one third of the Member States representing at least one third of the population of the Union, the decision shall not be adopted.

2. By derogation from paragraph 1, the Council shall act by qualified majority:

- (a) when adopting European decisions on Union actions and positions on the basis of a European decision of the European Council relating to the Union's strategic interests and objectives, as defined in [Article III-189(1)] of this title;
- (b) when adopting a decision on a Union action or position, on a joint proposal of the Minister for Foreign Affairs and the Commission on matters covering both common foreign and security policy and other fields of external action, as defined in [Article III-189, paragraph 2] ~~which the Minister puts forward to it following a specific request to him from the European Council made at its own initiative or that of the Minister;~~
- (c) when adopting any European decision implementing a Union action or position;
- (d) when adopting a European decision concerning the appointment of a special representative in accordance with [Article III-198 (ex 11)] of this Chapter;-
- (e) when adopting a European decision on a Union action having financial consequences up to a certain amount which shall be established by the Council;
- (f) when adopting a European decision on a Union position or action on restrictive measures as defined in [Article III-219 (ex 31)].

If a member of the Council declares that, for vital and stated reasons of national policy, it intends to oppose the adoption of a European decision to be taken by qualified majority, a vote shall not be taken. The Council may, acting by a qualified majority, request that the matter be referred to the European Council for decision by unanimity.

3. The European Council may decide unanimously that the Council shall act by a qualified majority in cases other than those referred to in paragraph 2.

4. Paragraphs 2 and 3 shall not apply to decisions having military or defence implications.
