## PART II CHAPTER X: SOLIDARITY

### Article X (implementation of the solidarity clause)

1. On the basis of a joint proposal by the Minister for Foreign Affairs and the Commission, the Council shall adopt **legal** acts defining a framework for the implementation of the solidarity clause referred to in Article X of Part One. These **legal** acts shall be adopted in accordance with the ~~relevant~~ provisions of the Constitution **applicable to the procedure for adopting each of the legal acts making up such a framework.**
  2. Should a Member State fall victim to a terrorist attack **or to a natural or man-made disaster**, the other Member States shall assist it at the request of its political authorities. To that end, the Member States shall coordinate between themselves in the Council.
  3. For the purposes of this Article, the Council shall be assisted by the Political and Security Committee and by the Standing Committee on Internal Security, which shall, if necessary, submit joint opinions.
  4. The European Council shall regularly assess the threats facing the Union, on the basis of a report from the Commission, in order to enable the Union to take effective action.

### Explanation (if any) :

Reference should be made to legal acts within the meaning of Articles 24 to 33 of Part I of the Constitution.

With the proposed rewording of the last sentence of para. 1 it is stated more explicitly that the different legal acts making up the framework for the implementation of the solidarity clause shall be adopted each in accordance with the specific procedures foreseen for this type of legal act by the Constitution.
