Suggestion for amendment of Article : III-295

By Mr : Farnleitner

Status : - Member

... The Statute of the European Investment Bank is laid down in a Protocol. ~~A European law may amend Articles 4, 11 and 12 and Article 18(5) of the Statute of the Bank, either at the request of the European Investment Bank and after consulting the Commission, or at the request of the Commission and after consulting the European Investment Bank.~~

Explanation (if any) :

The part of Article III-295 that included an enabling clause introduced in Nice in order to deal with the changes to the EIB's Statute made necessary by the enlargement of the Union (capital and governance) should be deleted, as those changes have already been completed within the Accession Treaty.
