

AMENDMENT FORM

Suggestion for amendment of Article : III-315

By Mrs Lena Hjelm-Wallén and Mr Sven-Olof Petersson, government representatives and Mr Sören Lekberg, national parliament representative.

Status : - Members: Hjelm-Wallén and Lekberg
 - Alternates: Petersson

~~The European Parliament, the Council and the Commission shall ensure that the financial means are made available to allow the Union to fulfil its legal obligations in respect of third parties.~~

Explanation: There is no need to include this provision in the Treaty. It's implications are unclear and it could be interpreted in a way which would infringe on the competence of the budgetary authority. It is already obvious, and stems from other types of legislation, that the Union has to fulfil its commitments and obligations in respect to third parties. Thus, the provision is not needed here and should therefore be deleted.
