

AMENDMENT FORM

Suggestion for : Amendment of Article III-329

By Mr : Emilio GABAGLIO

Status : Observer

Amendment : Art. III-329

Insert as Para. 1 (new):

“The European public service executes the missions assigned to it in the general interest of the Union and its citizens with competence, independence and loyalty. It comprises the all persons engaged and offers access to all citizens on an equal basis respecting geographical equilibrium.”

The previous Para. 1 now becomes Para. 2:

Replace twice ‘by the law’ with:

“by the European law”

Add in the 2nd sentence after ‘by the European law’:

“and any other instrument concerning working conditions”

and add at the end after ‘consulting the other institutions concerned’:

“as well as the relevant trade unions”;

Explanation (if any) :

The specific role of the European public service in the construction of the Union and in fulfilling its mission has to be recognised expressly.
