

AMENDMENT FORM

Part III - Chapter V: Public Health

**Suggestion for amendment of Article : PROTOCOL AMENDING THE
EURATOM TREATY**

By Members: Mr Andrew Duff

PROTOCOL AMENDING THE EURATOM TREATY

Article 0 (new)

The provisions of this Treaty will be reviewed five years after the entry into force of this Constitution.

Explanation:

The Constitution should not leave the Euratom Treaty in limbo for ever.

Many members of the Convention have argued for the rationalisation of Euratom. If this cannot be achieved now, it must be tackled later.
