#### Article IV-6 (ex Article F) Procedure for revising the Treaty establishing the Constitution

1. The government of any Member State, the European Parliament or the Commission may submit to the Council proposals for the amendment of the Treaty establishing the Constitution. The national Parliaments of the Member States shall be notified of these proposals.
2. If the European Council, after consulting the European Parliament and the Commission, adopts by a simple majority a decision in favour of examining the proposed amendments, the President of the European Council shall convene a Convention composed of representatives of the national Parliaments of the Member States, **DISTINGUISHED PERSONS WITH DIFFERENT VIEWS ON THE UNION INTEGRATION, REPRESENTATIVES FROM CIVIL SOCIETY ORGANISATIONS**, of the Heads of State or Government of the Member States, of the European Parliament and of the Commission. The European Central Bank shall also be consulted in the case of institutional changes in the monetary area. The European Council may decide by a simple majority not to convene the Convention should this not be justified by the extent of the proposed amendments. In the latter case, the European Council shall define the terms of reference for the conference of representatives of the governments of the Member States.

The Convention shall examine the proposals for amendments and shall adopt by consensus a recommendation to the conference of representatives of the governments of the Member States provided for in paragraph 3.
3. The conference of representatives of the governments of the Member States shall be convened by the President of the Council for the purpose of determining by common accord the amendments to be made to the Treaty establishing the Constitution.

The amendments shall enter into force after being ratified by all the Member States in accordance with their respective constitutional requirements.
