

## **AMENDMENT FORM**

**Suggestion for Part III General and Final Provisions: article E: Protocols**

**By Ms / Mr : R. van der Linden  
W. van Eekelen  
J. van Dijk**

**Status :        - Member                      - Alternate**

---

**The Convention should not just draw the attention of the IGC to the fact that it needs to consider what is to happen to the existing protocols, but it should urge the IGC to critically look at the existing protocols. Some of the current protocols annexed to the Treaty have no more specific meaning and/or include (expired) transitional arrangements.**

---

**Explanation (if any) :**
