**NB:**

For efficiency, the Praesidium proposes that debate should focus around the four questions raised in CONV 225/02.

Members wishing to take the floor are invited to contact Ms Martinez Iglesias (at the e-mail address: maria-jose.martinez-iglesias@consilium.eu.int or by telephone on + 32 2.285 5061). They are asked to indicate which question(s) set out in CONV 225/02 they wish to address. Given the amount of time available, the list of speakers for the item "Simplification of instruments and procedures" will be limited to about 40 speakers on the first day (12 September) and to a further 40 the following day (13 September). To structure the debate, questions relating to the simplification of instruments will be addressed on the first day, and questions relating to procedures will be discussed on the second day.

As to the other items on the agenda, it has been agreed that members of the Convention will ask to speak by raising the blue card.
