

FORWARDING NOTE

from : Secretariat

to : the Convention

Subject : **Motion according to Article 2 of the Convention's working methods
concerning further meetings of the Convention**

Members of the Convention will find attached a motion submitted by a number of members of the Convention according to Article 2 of the Convention's working methods concerning further meetings of the Convention.

Motion according to Article 2 of the Convention's Rules of Procedure concerning further meetings of the Convention

We, the undersigned members of the Convention, ask the Presidium to include to the agenda of the meeting scheduled for May 15th - 17th one additional topic. This topic should allow a proposal by the presidium and a debate on additional meetings of the Convention and its components in the first half of June 2003. We cannot see how otherwise the Convention will be able to fulfil its tasks.
